ABOUT ME

I'm a level 200 computer science student at Kwame Nkrumah University of Science and Technology, driven by a passion for technology and an aspiration to become a leading tech expert. I have strong passion for software engineering and leadership. My enthusiasm for learning and growth keeps me motivated as I strive to stay ahead in the tech space.

LEADERSHIP

ARSRC AWACOM. MEMBER   2023

Ashanti Regional Students' Representative Council

Appointed as a member of the ashanti regional students' representative council awards committee to oversee the fair distribution of awards in second cycle institutions in the region.

SRC PRESIDENT   2022 -2023

Kumasi High School

Head of the students' representative council for Kumasi High School where I achieved one of the best SRC week celebration in the region. I together with my executives ensure the safety and well-being of the student body and channelled the grievances of the students to the stake holders of the school.

MENTOR   2025

Kwame NKrumah University of Science and Technology

Currently appointed as a mentor for the computer science society to help the level 100's academically and non-academically because of my past leadership records.
